

Food and Activity Log

Name: _____

Example:

1. Note time of meal or snack
2. List everything you eat and drink each day including amounts
3. Determine carb values for portion sizes consumed
4. Add up the amount of carb grams **or** choices and note in box (15 grams = 1 choice)
5. Note anything that might have changed your blood sugar numbers such as activity, stress, illness, dining out etc.
