

PREPARATION FOR CARDIOLOGY OFFICE VISIT

Dear Sir or Madam,

Our records reflect that you are scheduled to see a physician in our Cardiology Department at Cheshire-Medical Center/Dartmouth Hitchcock Keene.

Our goal is to provide excellent care to the patients we serve within our department and organization. We would like to utilize the amount of time allotted for you with the physical in the most efficient manner. Therefore we would request that you review the following suggestions:

- ❖ If this is your first visit to the Cardiology office, please bring the following with you:
 - Previous Cardiology Records
 - Medications and/or List
 - Medical History Form

- ❖ Please bring the following to each visit:
 - Medications and/or List

Please note:

Because the physician's may need to perform an electrocardiogram (EKG) during your cardiology visit we suggest you wear a two-piece outfit such as slacks and a shirt/blouse for your comfort and convenience.
